Dear: \_\_\_\_\_

The Philippine Nurses Association of America Foundation, Inc. (PNAAF), a non-profit professional organization that promotes nursing excellence in education, clinical practice, research, and leadership development would like to seek your support on its First Hybrid PNAAF/PNAAF 5K Walk/RunWellness Challenge that will be held during the 43rd PNAAF National Convention in New York , New York on July 6-10, 2022.

The Annual PNAAF/PNAAF 5K Walk/Run Wellness Challenge is our effort to raise funds that would help meet the mission of both organizations to financially support education, leadership training, research, scholarships, professional support resources and community service. This is also an opportunity for the Filipino- American nurses to challenge their physical fitness and promote their mental health; many were affected by the massive toll of COVID-19.

We hope that you will find this event worthwhile of your support and participation. Enclosed is the Level of Sponsorships & Promotional Opportunities that you can choose from. The PNAAF Foundation is a 501 (C) (3) tax-exempt non-profit organization. Your donation is tax deductible.

We truly appreciate your generous support. Please mail completed application form no later than June 15, 2022.

Please make a check payable to PNAAF and mail to :
